1.E Conclusions

Strategies Priorities for 2025 are:

- **Education:** Expansion of free, compulsory education and construction of Modern Schools using hydro-foam block machines.
- **Job Creation:** Empowering youth through skill acquisition and entrepreneurship hubs.
- **Infrastructure:** Development of roads, healthcare facilities, and renewable energy project.
- **Agriculture and Natural Resources:** Mechanized farming and responsible mining of resources.
- **Security:** Strengthening local intelligence networks and leveraging technology for safety with a keen watch on our borders.
- **Tourism and Sustainability:** Promotion of eco-tourism and renewable energy to diversify the economy.
- **Strengthening governance:** Taraba Development Master Plan (2023 – 2050)

This budget is a vital component of the Taraba Development Master Plan (2023-2050), our comprehensive framework for strategic growth. The plan emphasizes economic diversification, environmental sustainability, and institutional reforms to make Taraba a model state in Nigeria.

Though the performance in Q1 in terms of IGR generation was inadequate, there has been a noticeable growth in Q2 revenue collection, current trends suggest that the annual target may not be met without aggressive and strategic efforts in Q3 & Q4. The Ministry encourages all MDAs to intensify their revenue mobilization drives and adhere strictly to performance expectations in line with the Medium-Term Revenue Strategy (MTRS).
