

# **Taraba State. Systematic Land Tenure Registration (SLTR) Standard Operating Procedures (SOPs)**

---

## **Taraba State SLTR Manual of Standard Operating Procedures (SOPs)**

### **Part I – Introduction**

- **Purpose:** To provide a standardized framework for Systematic Land Tenure Registration (SLTR) in Taraba State.
- **Lead Agency:** Taraba Geographic Information Service (TAGIS).
- **Scope:** Applies to all land parcels within Taraba State, except those exempted under federal law.

---

### **Part II – Institutional Roles**

#### **1. TAGIS**

- Lead agency for SLTR implementation, regulation, and oversight.
- Responsible for maintaining digital and physical land registries.
- Coordinates with Local Government Councils, traditional institutions, and communities.

#### **2. Local Governments**

- Support parcel identification and community sensitization.
- Provide dispute resolution support at grassroots level.
